A Note from our Community Lay Director

March has arrived and we have survived a frigid February, but our gathering was very warm! We were encouraged by a Fourth Day Talk by Jeanette Hogg. She reminded us that we have an on-going task of completing our spiritual journey. The encouragement comes as our relationship grows and strengthens us. He continues to show us new paths and gives us new opportunities. The Spring walks give us a special time to serve in an old way or a very new way. The options are endless... agape through prayer, music, serving food, cleaning, cooking, laundry, decorating, un-decorating, etc.

We also had worship and teaching through wonderful music provided by Peggy Siders, Diane Herrell and Angie Smart. The sound team of Lloyd and Kathy Keyser did there usual superb job.

During this Lenten time pray for our teams and pilgrims as we come together to share His abundant grace and love. I hope to see all of you on March 16th.

DeColores,

Jacquie Loschert
