Have you ever thought about how every time the doors of the church are open, it is a miracle? You see, No one has to come. No one has to give. No one has to serve. But, each time church is open, people will come and give and serve. Sure, there are some times when the participation is better. But, the church is open for worship and service. Did you know that on any given Sunday morning there are over 70 people who volunteer to serve to help make our time in church more meaningful? We have the Greeters, Sunday School Officers, SS Directors & Teachers, Nursery Workers, Preschool Church and Children Church Workers, Information Center Workers and Tellers. These people commit part or all of their time of SS or Worship to help us. This number does not even include our Choir Members. They practice during the week and give up the opportunity to sit with family or friends during worship. Every Sunday is a miracle. Let’s be sure to show each of them our appreciation for their commitment to help all of us. If you are one of these volunteers, you are greatly appreciated and very important.

Wow! Moment

I want you to meet someone very special! Carly Fleischmann is autistic, and her story is truly enlightening and inspiring. You can see her story at www.youtube.com/watch?v=34xoYwLNpww, or you can go to YouTube.com and search "Autism Angel." Amazingly, she also has her own blog, or you can follow her on Twitter and Facebook. I believe God can speak to all of us through this remarkable young lady's story.
