Graduate Sunday

I would like to say thanks to all the people who helped make graduate Sunday so successful! I would like to thank Kathy Cate and her crew of decorators for all they did making the tables and gym look so good. I would like to thank Ray McPhillips, Allen Edmondson, and the entire crew who helped work in the kitchen. The meal was outstanding and you all do such an amazing job of cooking every year. I would also like to thank the families who came and supported their graduate. You have done a great job of raising your child because this group of graduates from top to bottom are outstanding young adults who will, in my opinion, make an impact for God in the future. Sunday does not happen without everything done by all of these people.

Chad

Dear Fellow Sunday School Members,

For the past few weeks our Sunday school attendance has been hovering between 250 and 270. It seems we just can't seem to hit that 300 mark. I am encouraging each and every one of you to be in Sunday school this Sunday and to bring someone with you. Call your class members, invite neighbors and co-workers. Summer is nearing and it seems we are always consistently lower during this time of year. Don't let that happen to us. Let's all plant some seeds for God this week.

Judy Lewis
