# Help us preserve Latham Park...

In 1936, Clara Latham established a trust to preserve her home and property as a community park for Siouxland residents to enjoy at 1915 So. Lemon Street. Clara passed away in 1937, but her legacy "bloomed" into a beautiful place for weddings, parties, community gatherings or just a place of quiet reflection as one wanders through the special gardens.

Considered by many to be one of Sioux City's 'hidden jewels,' after 65 years the park's funds have been nearly exhausted; and Latham Park is in danger of being lost to the community.

Friends of Latham Park have organized to save this wonderful park so that others can enjoy the benefits of this unique place in Siouxland's future and to honor those who have held special events here in the past.

Please consider the many ways that you can help to preserve Latham Park. Thank you for your time and consideration. We hope to see you at the Park!
